**DETAILED INSTRUCTION SHEET FOR FILLING OUT
LAND DEVELOPMENT APPLICATION**

Prior to Submittal:

It is strongly recommended that applicants set up an appointment with the staff of the Department of Planning to discuss your proposal in detail and review the approval process.

Filing Deadline:

The deadline for all applications is **12:00 NOON** on the filing day as identified in the Plan Commission Development Review Calendar. Incomplete applications will not be accepted. Applications received after 12:00 noon will be processed along with applications filed for the next application cycle.

Upon Filing Your Application:

Planning staff will review the application submittal for completeness and circulate plans to appropriate City departments for review. A public hearing or public meeting date before the Plan Commission will be scheduled by City staff after a **complete** application is received. You will be informed of the time and place of the public hearing or public meeting and provided with a copy of the City staff comments and recommendations in advance of the meeting. For public hearing items, staff will also notify property owners within 200 feet of the boundaries of the property.

While your attendance at a public hearing or meeting is not mandatory, it is in your best interest to attend the meeting to explain your proposal and answer questions. If you, or a representative attending on your behalf, are not present to answer questions regarding the development proposal, the application may be denied or referred to another date due to a lack of available information. You should also remain at the public hearing or public meeting until after the Plan Commission votes on your proposal.

Required Application Submittal Materials (to be attached to the application form):

1. **Legal Description of Property.** Submittal of a proper legal description of the project is REQUIRED for all applications. A proper legal description is a lot and block number of a recorded certified survey map or plat, or a metes and bounds description prepared by a surveyor, engineer, title company, etc. A “plat of survey” or “site plan” is NOT a proper legal description. Any application without a proper, complete and appropriate legal description will NOT be processed.

All metes and bounds and other complex descriptions shall be submitted with the application on a **CD** or via e-mail in Microsoft Word format. (*E-mail to kschneider@cityofsunprairie.com*)

2. **Letter of Intent.** The applicant shall provide the City with a **Letter of Intent** describing in detail the application. The letter of intent should include the following information, as applicable:
 - Purpose for the request
 - Construction schedules (i.e. project start, proposed occupancy date)
 - Names of people involved (i.e. applicant, property owner, contractor, architect, landscaper, business manager)
 - Detailed description of the types of business or businesses proposed
 - Hours of operation for the business or activity
 - Area of the site in square feet or acres

- Number of dwelling units
- Number of employees (total and on largest shift)
- Number of lots to be created (if involves a land division)
- Explain any wetlands, woodlands, floodplain, steep slopes and other environmental features on the property
- Identify access to the property
- If located in the Extraterritorial Jurisdiction (ETJ) area of the City, explain other processes that have or need to be taken with other regulating governmental entities.
- Any additional information that the applicant wishes to submit in support of or to justify the requested action.

3. **Application Checklist. (MUST BE COMPLETED AND INITIALED BY THE APPLICANT)** An application checklist for the specific application type must be completed by the applicant as part of the application process. Each checklist was created to identify all of the items that must be submitted for each project type. Each item in the checklist must be initialed by the applicant, indicating that the required item has been included in the application submission. Planning staff will also use this checklist to determine if the application is complete and therefore ready to be placed on the Plan Commission agenda. More detailed instructions for each project type are included on the respective project checklist.

Please submit all **COMPLETE** plans, maps and documents including the required fees along with this application per the attached requirements. All plans larger than the 11" x 17" size **MUST be folded upon submittal, not rolled up.** The application will **NOT** be processed until all necessary information and fees have been submitted. **No partial applications will be accepted and final acceptance will be determined by the assigned staff person after the initial submission.**

City Council Action on Your Submittal:

To complete your process and apply for a building permit, all changes to the original plans, plats or maps, including site/parking/landscaping plans/plats/certified survey maps, etc. required as conditions of approval by the City Council must be made and **three (3) copies (2 - 11" x 17", 1 full size)** must be **resubmitted** to the Department of Planning for final sign off and circulation to other departments.

NOTE: Conditional Use Permits and General Development Plans will be recorded with the Dane County Register of Deeds by City staff. Certified Survey Maps and Final Plats must be recorded with the Dane County Register of Deeds by the applicant. Prior to recording, the applicant is required to provide the City with a digital copy and a paper copy of the final plat or CSM. A recorded copy must be provided to the City Department of Planning prior to a building permit being issued on the property.

This form shall serve as a checklist for special use permit applications. **The use of this checklist by the applicant to ensure a complete application submittal for this application is required.** One completed and signed original copy of this checklist shall be submitted to the Planning Department with all application submittals.
