When should I get a license?

Every dog age five months and older in the City of Sun Prairie should be licensed every year. The license expires December 31st of each year.

Dog Park Permits: In order to use the Sun Prairie Pet Exercise Area, a permit must be purchased. You must first obtain a dog license before purchasing the Pet Exercise Area Permit. If you purchase the Permit through the City Clerk's Office, the fees stay in Sun Prairie and are used to maintain our Pet Park.

Please bring a copy of the current rabies certificate, **NOT JUST THE INVOICE**. You may also fill out the registration form and send in the rabies certificate along with payment to the above address. If your dog is a Service dog, we will need to see the certificate.
