DETAILED INSTRUCTION SHEET FOR FILLING OUT LAND DEVELOPMENT APPLICATION

Prior to Submittal:

It is strongly recommended that applicants set up an appointment with the staff of the Department of Planning to discuss your proposal in detail and review the approval process.

Filing Deadline:

The deadline for all applications is **12:00 NOON** on the filing day as identified in the Plan Commission Development Review Calendar. Incomplete applications will not be accepted. Applications received after 12:00 noon will be processed along with applications filed for the next application cycle.

Upon Filing Your Application:

Planning staff will review the application submittal for completeness and circulate plans to appropriate City departments for review. A public hearing or public meeting date before the Plan Commission will be scheduled by City staff after a **complete** application is received. You will be informed of the time and place of the public hearing or public meeting and provided with a copy of the City staff comments and recommendations in advance of the meeting. For public hearing items, staff will also notify property owners within 200 feet of the boundaries of the property.

While your attendance at a public hearing or meeting is not mandatory, it is in your best interest to attend the meeting to explain your proposal and answer questions. If you, or a representative attending on your behalf, are not present to answer questions regarding the development proposal, the application may be denied or referred to another date due to a lack of available information. You should also remain at the public hearing or public meeting until after the Plan Commission votes on your proposal.

Required Application Submittal Materials (to be attached to the application form):

1. **Legal Description of Property.** Submittal of a proper legal description of the project is REQUIRED for all applications. A proper legal description is a lot and block number of a recorded certified survey map or plat, or a metes and bounds description prepared by a surveyor, engineer, title company, etc. A “plat of survey” or “site plan” is NOT a proper legal description. Any application without a proper, complete and appropriate legal description will NOT be processed.

All metes and bounds and other complex descriptions shall be submitted with the application on a **CD** in Microsoft Word format or via e-mail. (*E-mail to kschneider@cityofsunprairie.com*)

2. **Letter of Intent.** The applicant shall provide the City with a **Letter of Intent** describing in detail the application. The letter of intent should include the following information, as applicable:
 - Purpose for the request
 - Construction schedules (i.e. project start, proposed occupancy date)
 - Names of people involved (i.e. applicant, property owner, contractor, architect, landscaper, business manager)
 - Detailed description of the types of business or businesses proposed
 - Hours of operation for the business or activity

- Area of the site in square feet or acres
- Number of dwelling units
- Number of employees (total and on largest shift)
- Number of lots to be created (if involves a land division)
- Explain any wetlands, woodlands, floodplain, steep slopes and other environmental features on the property
- Identify access to the property
- If located in the Extraterritorial Jurisdiction (ETJ) area of the City, explain other processes that have or need to be taken with other regulating governmental entities.
- Any additional information that the applicant wishes to submit in support of or to justify the requested action.

3. **Predevelopment Agreement Form. (MUST BE SIGNED FOR ALL PROJECT TYPES BY THE APPLICANT)** This agreement between the developer and the city ensures that the developer agrees to pay for all review, processing, approving and/or administration costs incurred by the city including without limitation because of enumeration, costs of publications and special meetings, legal, engineering, planning and design service costs incurred by the city in connection with this review, processing, approving and/or administration of the application. Additionally this agreement ensures that the city agrees to review the application of the developer in accordance with the law and desires to have such review made without unreasonable expense to the city taxpayers. When completing the form, the blanks for the dollar amounts on page 2 should be left blank.
4. **Application Checklist. (MUST BE COMPLETED AND INITIALED BY THE APPLICANT)** An application checklist for the specific application type must be completed by the applicant as part of the application process. Each checklist was created to identify all of the items that must be submitted for each project type. Each item in the checklist must be initialed by the applicant, indicating that the required item has been included in the application submission. Planning staff will also use this checklist to determine if the application is complete and therefore ready to be placed on the Plan Commission agenda. More detailed instructions for each project type are included on the respective project checklist.

Please submit all **COMPLETE** plans, maps and documents including the required fees along with this application per the attached requirements. All plans larger than the 11" x 17" size **MUST be folded upon submittal, NOT rolled up**. The application will **NOT** be processed until all necessary information and fees have been submitted. **No partial applications will be accepted and final acceptance will be determined by the assigned staff person after the initial submission.**

City Council Action on Your Submittal:

To complete your process and apply for a building permit, all changes to the original plans, plats or maps, including site/parking/landscaping plans/plats/certified survey maps, etc. required as conditions of approval by the City Council must be made and **three (3) copies (2 - 11" x 17", 1 full size)** must be **resubmitted** to the Department of Planning for final sign off and circulation to other departments.

NOTE: Conditional Use Permits and General Development Plans will be recorded with the Dane County Register of Deeds by City staff. Certified Survey Maps and Final Plats must be recorded with the Dane County Register of Deeds by the applicant. Prior to recording, the applicant is required to provide the City with a digital copy and a paper copy of the final plat or CSM. A recorded copy must be provided to the City Department of Planning prior to a building permit being issued on the property.

WHEREAS, the person(s) above-named wish to engage in the following land development related activities

WHEREAS, the **CITY** agrees to review the land development related activity, as defined above, of the **DEVELOPER** in accordance with law and desires to have such review made without unreasonable expense to the **CITY** taxpayers:

NOW, THEREFORE, the parties agree as follows:

PART A. PAYMENT FOR REVIEW SERVICES

The **DEVELOPER** agrees to pay all review, processing, approving and/or administration costs incurred by the **CITY** including without limitation because of enumeration, costs of publications and special meetings, legal, engineering, planning and design service costs incurred by the **CITY** in connection with this review, processing, approving and/or administration.

The **DEVELOPER** understands the legal, engineering, planning or design consultants retained by the **CITY** are acting exclusively on behalf of the **CITY** and not the **DEVELOPER**.

PART B. GUARANTEE OF PAYMENT

If the **CITY**, in its sole discretion, determines that the costs the **CITY** may incur in connection with the land development related activity are significant, then the **CITY** shall require the **DEVELOPER** to guarantee reimbursement of the **CITY** for costs described in **PART A** by depositing with the **CITY** Clerk/Treasurer a (cash deposit) (cashier's check) (irrevocable letter of credit) in the name of the **CITY** in the principal sum of \$ _____, which includes the sum of \$ _____ to cover the cost of unanticipated contingencies.

If guarantee is made by cash deposit, the **CITY** agrees to deposit the guarantee payment in an interest bearing account and to make payments from such account for the above described services.

If at any time moneys in the account, including earned interest, or the principal amount of the irrevocable letter of credit are insufficient to pay expenses incurred by the **CITY** for review, processing, approving and/or administration costs, **DEVELOPER** agrees to deposit required additional amounts within fifteen (15) days of

written demand by the **CITY** Clerk/Treasurer, the **CITY** shall not be required to take any further action on such activity until the amount in arrears plus interest at the rate of 18% per annum are paid in full.

PART C. TERMINATION OF GUARANTEE

Sixty (60) days after completion of review, processing, approving or administering, evidenced by resolution or ordinance of the **CITY** Council/Board approving, conditionally approving or rejecting the land development related activity, the **CITY** agrees to refund the **DEVELOPER** any moneys remaining in the deposit account, including any interest earned thereon; or if guarantee is made in the form of an irrevocable letter of credit, to give a written release, sufficient to terminate the guarantees of such letter less, in either case, any amounts owing for administrative costs described in **PART A**.

PART D. EFFECT OF APPROVAL

Subject to the applicable regulations of any governmental entity with jurisdiction and/or the ordinances, rules and regulations of the **CITY**, the approval of the land development related activity shall entitle the **DEVELOPER** to final approval of land development related activity only if all conditions of approval have been met, and only if all required guarantee deposits, and all amounts payable under this Agreement have been paid.

PART E. SEVERABILITY CLAUSE

If any section, subsection, sentence, clause, phrase or portion of this Agreement is for any reason held to be invalid, such invalidity shall not affect the validity of any other section, subsection, sentence, clause, phrase, or portion thereof.

(A photocopy of a city street name map with the subject property clearly indicated shall suffice to meet this requirement.)
	Before submitting a preliminary plat for approval, the subdivider may prepare a conceptual plat and submit it to the city for non-binding review and comments. If this option is chosen, the subdivider shall file two (2) full size copies, (copies larger than 11” x 17” MUST BE FOLDED, NOT ROLLED UP) together with four (4) copies of the plat accurately photocopied and reduced to 11 inches by 17 inches with the Planning Department. The plat will be scheduled for review by the Plan Commission per their meeting schedule.
	The conceptual plat shall cover the entire area proposed for development at the time, including rights-of-way for all adjacent roads and highways, utilities, driveways and wetlands, and shall be prepared in accordance with the subdivision ordinance. Where a subdivider owns or controls adjacent lands in addition to those proposed for development at that time, said subdivider shall submit a concept plan for the development of the adjacent lands showing streets, utilities, driveways, wetlands, zoning districts, and other information as may affect the review of the conceptual plat in question. The City Engineer may waive these requirements where adjacent development patterns have already been established.
THE CONCEPTUAL PLAT SHALL CONTAIN OR HAVE ATTACHED THERETO THE FOLLOWING INFORMATION:	
	Existing zoning classifications for land in and abutting the subdivision.

	Total acreage.

	Site data including number of residential lots.
	Sites, if any, to be reserved for parks or other public uses.
	Sites, if any, for multi-family dwellings, shopping centers, churches, industry or other non-public uses exclusive of single family dwellings:
	Statement of the proposed use of lots stating type of residential buildings with number of proposed dwelling units, type of business or industry so as to reveal the effect of the development on traffic, fire hazards, and congestion of population.
	Provision for water supply.
	Provisions for sewage disposal.
	The proposed zoning plan for the areas, including dimensions.
	Potential re-subdivision of large lots (over twenty-four thousand (24,000) square feet) or excessively deep lots (over 200) feet.
	Provisions for surface water management including both minor and major system components, detention/retention facilities, including existing and post development 100 year flood elevations, and existing wetlands as defined by the Wisconsin Department of Natural Resources and the Army Corps of Engineers, etc.
	Such other information as may be requested by the City Engineer, City Planner, Plan Commission, or the Committee of the Whole.

NOTE: Conceptual plat review is preliminary in scope and typically based upon a limited amount of information, resulting in advisory, non-binding commentary and recommendations from city staff, the plan commission, and the committee of the whole. As such, it is not intended to provide the subdivider with a comprehensive review of a proposed subdivision or indicate, in any way, future approval of a proposed subdivision. Action by the plan commission and committee of the whole shall be in the form of a non-binding motion indicating general acceptance, acceptance with conditions, or rejection of a proposed development concept. Upon completion of the conceptual plat review process, the subdivider may or may not choose to proceed with the submittal of a preliminary plat.
